Dear Mr. Zito,

Citizens for Fiscal Responsibility works on behalf of the residents of San Jose to ensure that our tax dollars are used efficiently and effectively to provide the core services that we deserve, as mandated by the City Charter. Each City Council election cycle, we review candidates to determine which ones best align with that objective.

We are pleased to inform you that we are extending our endorsement for your campaign for District 8 of the San Jose City Council. We believe that your extensive background of community service, coupled with your determination and tenacity, will help you focus our City on the things that matter most to residents: public safety, parks and roads.

We wish you good luck on your campaign and will do what we can to help you be successful.

Sincerely,
